FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 per cent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn YOUR property.

MINUTES OF ANNUAL SCHOOL DISTRICT MEETING

March 9, 1957

The annual meeting of the school district of Holderness was called to order by the moderator, Richard L. Gordon, at 4:35. The Warrant was read by Mr. Gordon.

A motion was made by Hollis Willoughby that article I be acted upon as soon as the polls were open, and that the balance of the Warrant be acted upon at 8 p. m. The motion was seconded and carried. The Moderator declared the polls open and to remain so until 9 p. m.

Article I. Voters of the district proceeded to cast their ballots for Moderator, Clerk and Treasurer to serve one year; and one member of the School Board to serve a term of 3 years.

At 8 p. m. Mr. Gordon again called the meeting to order for discussion of and action upon the remaining articles. Prayer was offered by Rev. M. C. Stone. The Warrant was read again by the Moderator.

Article II. Mr. Willoughby moved the district approve article II. Mrs. Gordon seconded the motion and the vote was in the affirmative.

Article III. Mr. Willoughby moved the district accept the reports of Agents and Auditors printed in the annual report. The motion was seconded by Mr. Wolf. Mr. Willoughby requested the reading of the report of the School Expansion Study Committee before action was taken on this article. Said report was read by the Clerk and was accepted. The motion to approve Article III was voted in the affirmative.

By unanimous vote, the district approved a motion to allow Mr. Martin Heffernan, Supt. of Schools, and Mr. Robert McGlone, Principal, to speak at any time during the meeting.

Article IV. The following motion was made by Mrs. Calley and seconded by Mr. Wolf. I move that the district vote to raise and appropriate the sum of \$35,000 (thirty-five thousand dollars) for the construction of two additional classrooms to the present Holderness central school, including cost of architect's fee, and in order to provide such funds, to authorize the school board to borrow the amount voted and to issue serial notes or bonds, in the name and on the credit of the school district, and to fix the time and place of payment, the rate of interest, terms, maturities, and provide for the sale thereof, all in accordance with New Hampshire Revised Statutes, Annotated Chapter 33 as amended by Chapter 329 of the Laws of 1955, known as the "Municipal Finance Act," and any other amendments applicable thereto.

A question about the plumbing and heating of the addition was answered satisfactorily and the district proceeded to vote on the motion by ballot. At the conclusion of the voting the Moderator appointed Mrs. Edith Plant and Mr. Carlton Elsner ballot clerks. 105 votes were cast — 63 in the affirmative and 42 negative. Since the motion did not receive a 2/3 majority of votes in the affirmative, it was defeated.

Mrs. Whitman commended the work of the School Expansion Study Committee and moved it be continued for one more year. The motion was seconded and carried.

Article V. Since article IV had been voted in the negative, Mr. Whitman moved to dismiss Article V. The motion was seconded and carried.

Article VI. Mr. Willoughby made the following motion which was seconded.

I move that the District raise and appropriate the sum of \$75,058.99 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the

selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Mr. Whitman moved to amend Mr. Willoughby's motion so the budget could be taken up item by item. The motion was seconded, and voted in the negative.

Mr. Lyle Thompson moved to reconsider Mr. Whitman's motion to take up the budget item by item. The motion was seconded and carried by a vote of 56 to 37.

Each item in the budget was then voted upon in order and was approved as printed in the Warrant with the following exceptions; Under Debt and Interest in the Budget, Principal of Debt was amended to read \$6,000 and Interest on Debt was amended to read \$1,936. These changes, necessitated by the defeat of the motion to build an addition to the school, reduced the total budget to \$71,480.24.

Article VII. Mrs. Calley made the following motion which was seconded and voted in the affirmative.

I move the District authorize the school board to choose Agents and Auditors as required.

Article VIII. Mrs. Ayer made the following motion which was carried.

I move that the District vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

A motion was made and carried to adjourn the meeting except for the counting of the ballots. The Moderator declared the polls closed and the clerk proceeded to count the ballots with the following results:

Total number of ballots cast	123
For Moderator — Richard Gordon	118
For Clerk — Eleanor S. Wolf	115
For Treasurer — Ethel J. Piper	121
For member of School Board for 3 years	
Frances C. Ayer	63
John L. Putnam	58

Frances C. Ayer, having received the plurality of votes, was declared elected.

Richard L. Gordon, Eleanor S. Wolf and Frances C. Ayer took the oath of office before Nellie Calley, chairman of the school board.

The School Board
Holderness School District
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Holderness School District for the fiscal year ended June 30, 1957, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and
Expenditures — Estimated and Actual Revenues:
(Exhibits C & D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1957, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$257.99, plus a net unexpended balance of appropriations of \$3,091.68, resulted in a net budget surplus of \$3,349.67.

Summary of Receipts and Expenditures: (Exhibit E)

Statement of Bonded Debt: (Exhibit H.)

A statement of the bonded indebtedness of the School District as of June 30, 1957, showing annual debt service requirements is contained in Exhibit H.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from \$946.24 to \$4,295.91, during the fiscal year ended June 30, 1957, as shown herewith:

	June 30, '56	June 30, '57
Total Assets	\$ 4,939.27	\$ 7,804.03
Current Liabilities	3,993.03	3,508.12
Current Surplus	\$ 946.24	\$ 4,295.91

**Difference in Amounts of Vouchers
and Checks**

It was noted in several instances that checks were issued for amounts which differed from the amounts indicated on the vouchers and manifests. While the differences were of small amounts care should be ex-

exercised in the issuance of checks so that the amount of the check and the amount of the corresponding item on the voucher and manifest will always be identical.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that this report or a summary of the findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Holderness School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board
and Citizens of Holderness:

I herein present my third annual report as superintendent of Supervisory Union No. 2 which includes the Holderness Central School.

The ability to place satellites in outer space has aroused deep concern in regards to education during the past year. The public is becoming fully aware that the future of nations rests in considerable measure upon progress in science and technology. There is widespread agreement that improved chances to learn must be opened to those minds which are capable of scientific excellence.

Scientific education is not the only need of America today. Fully as important as progress in science is the promotion of American Democracy and the preservation of peace.

The building of peace calls for knowledge and insight and so the children of today, who will be the philosophers, the historians, the social scientists, and the scientists of tomorrow, hold the promise of the future.

P. T. A.

The P. T. A. has been very active in bridging the gap between the home and school, and many worthwhile meetings have been held on subjects dealing with the child and his school.

The P. T. A. bulletin has proved to be very informative and the officers are to be commended for the effort in getting the very worthwhile information into the hands of its members.

MUSIC

Miss Elena McCuen is supervisor of music this year and has done a great deal of work in the enrichment of the program through the rhythm band and appreciation for music.

BUILDING

With the present enrollment, the facilities are taxed to capacity, the seventh and eighth grades meeting in the auditorium, and remedial classes on the stage.

In view of the increase in State Building Aid, it is the hope of the board, teaching staff and many of the parents that the voters will see fit to vote to add two rooms to relieve the crowded condition and permit better use of the present plant.

SCHOOL LUNCH

The school lunch program, under the able direction of Mrs. Holland and the assistance of Mrs. Hayes, continues to be a very important part of the daily life of each boy and girl in providing a well-balanced hot lunch for a minimum charge.

CONCLUSION

The members of the teaching staff, school personnel, transporters, members of the school board and citizens are to be commended for the fine cooperation in dealing with the problems in the education of the children of Holderness.

Respectfully submitted,

MARTIN E. HEFFERNAN,

Superintendent

HOLDERNESS CENTRAL SCHOOL

Principal's Annual Report

To the Superintendent of Schools:

I herewith submit my third Annual Report as principal of Holderness Central School.

The school opened on September 5th. Mr. Lawrence Hart of Meredith replaced Mr. Kelvin Dalton as the 7th & 8th grade teacher and Miss Margaret Thomas of Concord joined the staff as the 1st grade teacher. The music supervisor this year has been Miss McCuin of Meredith. Mrs. Salmon, who started last year with us, left in early Spring and Mrs. Finley succeeded her temporarily until Mrs. Dorothy Wilkins arrived to finish the year.

The 7th and 8th grades are still operating under departmentalized system along with the 5th and 6th grades. The Reading Program experienced another successful year under Mrs. Corbett's capable guidance. The Rinehart Writing System is producing a decided improvement in the handwriting of the students.

At Christmas time a party was sponsored by the Holderness Boys School and a Christmas program was presented by the Central School students. In the Spring an Operetta was given under Mrs. Uhlman's able direction. The Activities Association realized a fruitful result, after venturing into several endeavors. This project has as its business manager, Mrs. Garland.

In the athletic department the boys with Mr. Dalton as coach, had the most successful baseball season realized by the school, up to the present time. The girls softball team played several neighboring teams, making a fine showing.

With the crowded situation at the school and the conditions under which some of the staff are teaching, I certainly would like to express my appreciation to them for the cooperation they have shown. Also to the School Board, Supt. Heffernan, pupils and citizens, for their help during the past year.

Respectfully submitted,

ROBERT E. McGLONE,

Principal

REPORT OF HEALTH NURSE

The School Health Program included the usual vision tests with the Good-Lite machine, the hearing tests with the Maico Audiometer, measurements of heights and weights and frequent inspections of each child. All defects were recorded, parents notified and corrections made.

The Polio Salk vaccine clinics were completed in the Spring of 1957. My records show the following:

113 children have completed 3 shots

5 children have completed 2 shots

This shows wonderful cooperation of the parents with the program and our children have received the best known protection against the dread disease, poliomyelitis.

Only 5 children came to the pre-school visiting day in May. This day is to acquaint the children and parents with school activities and for the nurse to record each child's height, weight, vision and past health histories. We were fortunate to have Mrs. Madeline Given, Dental Hygienist from the State Department of health present to talk with the children about the care of their teeth. Each child was given a tooth brush to take home.

In September, the State Dental equipment and supplies were moved to the school to provide a dental cleansing and applications of sodium fluoride to the children's teeth. This program was sponsored by the P. T. A. Mrs. Herberta Stark, Dental Hygienist, of Meredith operated this service.

The P. T. A. should be credited with many accomplishments towards improving the children's health. This organization donated the Vitamin pills and sponsored a dental clinic. Many thanks to Doris Thompson, R. N., for her part in this dental care. Records show the following results:

63	Extractions
45	Fillings
11	Examinations
1	X-ray

Several children received boosters at the series of Triple Toxoid Clinics held at the school in March and April.

72 physical examinations were completed in October by Dr. Conrad, School Physician.

98 T. B. Patch Tests were applied in December
